The Fort Lee community has a
new private organization in town!
Spouses' clubs have been in
existence since the early 1940s,
but in a recent move all over the
military world, clubs have been
combining to bring together
talented individuals with a
common goal - service.

This past year the Fort Lee
Officers' and Civilians' Spouses'
Club (FLOCSC) and the Fort Lee
Enlisted and Civilians' Spouses'
Club (FLECSC) merged to form
the Fort Lee Area Spouses' Club
(FLASC).

Club activities are being planned
as both day and evening events
and our first luncheon will be in
October. We are also planning
'special interest groups' with
common interests in fun activities
like Bunco, gourmet cooking and
more! Watch for announcements
in *The Traveller* of dates and times
for future membership drives!

Or, you can pick up an
application and join NOW!
